LYON'S KATHAIROUN.—This delightful article
for preserving and beautifying the human
hair, is again put up by the original proprie-
tor, and is now made with the same care, skill
and attention, which first created its immense
and unprecedented sales of over one million
bottles annually! It is still sold at 25 cents
in large bottles. Two million bottles can easily
be sold in a year when it is known that the
Kathairoun is not only the most delightful hair
dressing in the world, but that it cleanses the
scalp of scurf and dandruff, gives the hair a
lively, rich, luxuriant growth, and prevents it
from turning gray. These are considerations
worth knowing. The Kathairoun has been test-
ed for over twelve years, and is warranted as
described. Any lady who values a beautiful
head of hair will use the Kathairoun. It is
finely perfumed, cheap and valuable. It is
sold by all respectable dealers throughout the
world. D. S. BARNES & CO.,
